Re: Semi-Annual Compliance Status Report
Reporting Period: August 1, 2013 through August 31, 2013
DJ No. 90-5-1-1-08698

Dear Sirs:

Plains All American Pipeline, L.P. (Plains) is pleased to submit the attached report entitled "Semi-Annual Compliance Status Report" in accordance with the Consent Decree (Civil Action No. 4:10-cv-02833) and covering the reporting period of August 1, 2013 through August 31, 2013. During this reporting period, Plains was not in violation of any of the Consent Decree requirements.

By letter dated August 2, 2013, Plains provided a written Request for Termination of the Consent Decree in accordance with Section XVII of the Consent Decree. Included with this request was an abbreviated Semi-Annual Compliance Status Report covering the period from March 1, 2013 to July 31, 2013. The Semi-Annual Compliance Status Report attached to this letter covers the period from August 1, 2013 to August 31, 2013 in order to maintain consistency with the reporting schedule stipulated in the CD. Although previous verbal communications with Mr. Smith of Region 6 suggested that further reporting might not be necessary once the abbreviated report had been submitted and the termination notice provided, Plains felt that maintaining a complete reporting record would be appropriate until the CD termination process had been completed.

As with the previous reports, this semi-annual report documents that the Compliance Requirements stipulated under Provision V of the Consent Decree have been completed within the required deadlines and that Plains continues to comply with on-going Compliance Requirements. In accordance with a telephone discussion between Dean Gore of Plains and Nelson Smith of EPA Region VI, the following were provided have been provided under separate cover at Mr. Smith's request:

- An abbreviated Semi-Annual Compliance Status Report covering the period from March 1, 2013 to July 31, 2013;
- A draft Joint Stipulation Terminating Consent Decree for review by EPA and DOJ (provided to Mr. Smith via e-mail July 10, 2013); and
- A draft Order Granting Joint Stipulation Terminating Consent Decree for review by EPA and DOJ (provided to Mr. Smith via e-mail July 10, 2013).

We are awaiting EPA and DOJ review of the draft Joint Stipulation and draft Order and are prepared to finalize and file these documents as soon as practicable.

If you have any questions or concerns about the attached report or any other matter related to this Request, please feel free to contact me at (713) 646-4655.

Best Regards,

Mark J. Gorman
Executive Vice President – Operations and Business Development
